

## ROTUMA SCHOOLS' ECO-CAMP SPONSORSHIP PLAN

---

LäjeRotuma Initiative is offering two categories of sponsorship in the upcoming Rotuma Schools' EcoCamp to be held at the Oinafa Bay area over the 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> of December 2007.

Due to the logistics and complexities of organizing the first ever camp of this nature on the island of Rotuma, we are appealing to friends and families of LRI to assist in staging this event. This environmental awareness campaign is being held to raise the profile of Rotuma's unique and fragile natural heritage so that the next generation may be more environmentally conscious in this age of climate change and loss of culture.

We anticipate approximately 400 campers comprised of students from the 4 primary and 1 secondary school on the island.

There are two categories of sponsorship. Please tick your preference:
